

If you have not been a resident of Pennsylvania for at least two years, you must get an FBI Background check.

You will need to get fingerprinted at any police station and follow the instructions found [here](#) .

For your convenience we have made arrangements to get all this done at one place.

You can call:

Barbara at 215.219.9238

1550 Callowhill St. Phila. Pa

Call her to make an appointment to get fingerprinted and she will help you with the entire process.

She will ask for the Indigo service code for our program.

That is: 1KG6XN.

If you need any more help please call our office.

Good luck
